**Legislative Counsel's Digest:**

Retired public employees receive retirement allowances through membership in and contributions to the Public Employees' Retirement System. (Chapter 286 of NRS) Retired justices of the Supreme Court, judges of the Court of Appeals, district judges, justices of the peace and municipal judges receive retirement allowances through membership in and contributions to the Judicial Retirement Plan. (Chapter 1A of NRS) Legislators receive retirement allowances through membership in and contributions to the Legislators' Retirement System. (Chapter 218C of NRS) This bill makes a number of changes to these public retirement systems.

**Sections 2, 17 and 26** of this bill provide that if a person becomes a member of the Public Employees' Retirement System, Judicial Retirement Plan or Legislators' Retirement System, respectively, on or after July 1, 2015, and that member is convicted of or pleads guilty or nolo contendere to certain felonies, the member forfeits, with limited exceptions, all rights and benefits under the relevant retirement system.

Existing law provides for postretirement increases for members of the Public Employees' Retirement System, Judicial Retirement Plan and Legislators' Retirement System. (NRS 1A.240, 286.571, 218C.510) **Section 3** of this bill reduces the postretirement increases for retirees who become members of the retirement systems on or after July 1, 2015.

Existing law sets forth several benefit options for surviving spouses of deceased members of the Public Employees' Retirement System, the Judicial Retirement Plan and the Legislators' Retirement System. (NRS 1A.590-1A.610, 218C.580, 286.674-286.676) Existing law also sets forth several benefit options for survivor beneficiaries of deceased members of the Public Employees' Retirement System, the Judicial Retirement Plan and the Legislators' Retirement System if a member is unmarried on the date of the member's death. (NRS 1A.620-1A.650, 218C.580, 286.6767-286.6769) **Sections 4, 16 and 27** of this bill provide an additional benefit option for the spouse of a member who is killed in the line of duty, the course of employment, the course of judicial service or the course of legislative service, as applicable. This additional option authorizes the surviving spouse to receive a benefit that is equivalent to the greater of: (1) fifty percent of the salary of the member on the date of the member's death; or (2) one hundred percent of the retirement allowance that the member was eligible to receive based on the member's years of service obtained before the member's death without any reduction for age for the deceased member. **Sections 4.5, 16.5 and 27.5** of this bill provide that this additional benefit option is available to a survivor beneficiary if the deceased member is unmarried on the date of the member's death.

Under existing law, a person who becomes a member of the Public Employees' Retirement System on or after January 1, 2010, other than a police officer or firefighter, is eligible to retire at 65 years of age if he or she has at least 5 years of service, at 62 years of age if he or she has at least 10 years of service and at any age if he or she has at least 30 years of service. (NRS 286.510) **Section 5** of this bill provides that a person who becomes a member of the System on or after July 1, 2015, other than a police officer or firefighter, is eligible to retire at 65 years of age if he or she has at least 5 years of service, at 62 years of age if he or she has at least 10 years of service, at 55 years of age if he or she has at least 30 years of service, and at any age if he or she has at least 33 1/3 years of service. **Section 20** of this bill makes the eligibility requirements for retirement relating to age and service consistent between public employees and justices of the Supreme Court, judges of the Court of Appeals, district judges, justices of the peace and municipal judges.

**Sections 5, 20 and 28** of this bill provide, respectively, that for a member of the Public Employees' Retirement System, Judicial Retirement Plan or Legislators' Retirement System, the calculation of the member's years of service for the purpose

of determining the age at which the member may retire with an unreduced benefit must not include any year or part of a year of service credit purchased by the member or on behalf of the member. **Sections 5, 20 and 28** provide a limited exception if the member has a family medical emergency.

Under existing law, the amount of a member's monthly retirement benefit is based on the member's compensation while employed, subject to certain limitations. (NRS 1A.390, 1A.400, 1A.410, 286.535, 286.537, 286.551, 218C.520, 218C.530) **Sections 6, 21 and 29** of this bill limit the amount of compensation used to determine the retirement benefit of a person who becomes a member of a public retirement system on or after July 1, 2015, to \$200,000, plus certain adjustments based on changes in the Consumer Price Index.

Under existing law, the monthly retirement allowance for a person who became a member of the Public Employees' Retirement System on or after January 1, 2010, is calculated by multiplying a member's average compensation, over the member's 36 consecutive months of highest compensation, by 2.5 percent for every year of service earned. (NRS 286.551) **Section 7** of this bill provides that the monthly retirement allowance for each person who has an effective date of membership on or after July 1, 2015, other than a police officer or firefighter, will be determined by multiplying the member's average compensation by 2.25 percent for every year of service with the member's eligibility for service credit ceasing at 33 1/3 years of service.

Under existing law, members of the Judicial Retirement Plan do not pay contributions into the Plan. (NRS 1A.180) **Section 15** of this bill requires members of the Plan who have an effective date of membership on or after July 1, 2015, to pay 50 percent of the required contributions to the Plan.

Under existing law, the monthly retirement allowance for a member of the Judicial Retirement Plan is calculated by multiplying a member's average compensation, over the member's 36 consecutive months of highest compensation, by 3.4091 percent for every year of service earned. (NRS 1A.440) **Section 22** of this bill provides that the monthly retirement allowance for each person who has an effective date of membership on or after July 1, 2015, will be determined by multiplying the member's average compensation by 3.1591 percent for every year of service.

**Sections 10, 14, 24 and 27** of this bill clarify that the term "spouse" includes a domestic partner for purposes of determining eligibility to receive survivor benefits from a public retirement system.

Existing law provides that a retired public employee who accepts employment or an independent contract with a public employer under the Public Employees' Retirement System is disqualified under certain circumstances from receiving allowances under the System for the duration of that employment or contract. (NRS 286.520) Existing law also provides an exception to this disqualification if the retired public employee fills a position for which there is a critical labor shortage. (NRS 286.523) This exception is scheduled to expire on June 30, 2015. (Chapter 346, Statutes of Nevada 2009, p. 1550) **Sections 29.6 and 29.8** of this bill remove the expiration date of this exception.
