An entity that receives a grant of money from the Fund is required to use the money in accordance with the priorities to provide: (1) professional development for teachers, administrators and other licensed educational personnel; (2) programs of preparation for teachers, administrators and other licensed educational personnel;

(3) programs of peer assistance and review for teachers, administrators and other licensed educational personnel; (4) programs for leadership training and development; and (5) programs to recruit, select and retain effective teachers and principals. Finally, **section 1** requires the Superintendent of Public Instruction, to the extent money is available for this purpose, to contract for an independent evaluation of the effectiveness of the grants made from the Fund.

(NRS 391.512, 391.544) **Section 2** of this bill requires the provision of training by a regional training program to also be based upon the priorities of programs prescribed by the State Board pursuant to **section 1**.
