EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to education; revising provisions governing the manner in which certain examinations are administered; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law requires examinations to be administered to pupils enrolled in
2 grades 3 through 8 based upon the State's academic standards. Existing law also
3 requires the board of trustees of each school district and the governing body of each
4 charter school to administer such examinations to pupils at the same time during the
5 spring semester, as prescribed by the State Board of Education. (NRS 389.550)
6 This bill removes this requirement and instead requires the board of trustees of each
7 school district and the governing body of each charter school to administer such
8 examinations during a certain period after the minimum number of days of
9 instruction prescribed by the State Board have been provided.
