AN ACT relating to health care providers; including certain alcohol and drug abuse counselors, problem gambling counselors and social workers in the definition of “provider of health care” for purposes of various provisions relating to healing arts and certain other provisions; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law defines the term “provider of health care” as used in various provisions relating to healing arts to mean a licensed physician, physician assistant, dentist, licensed nurse, dispensing optician, optometrist, practitioner of respiratory care, registered physical therapist, occupational therapist, podiatric physician, licensed psychologist, licensed marriage and family therapist, licensed clinical professional counselor, music therapist, chiropractor, athletic trainer, perfusionist, doctor of Oriental medicine, medical laboratory director or technician, pharmacist, licensed dietitian or licensed hospital as the employer of such a person. (NRS 629.031)

This bill expands that definition to include an associate in social work, a social worker, an independent social worker or a clinical social worker who is licensed pursuant to chapter 641B of NRS, an alcohol and drug abuse counselor or a problem gambling counselor who is certified pursuant to chapter 641C of NRS and

an alcohol and drug abuse counselor or a clinical alcohol and drug abuse counselor who is licensed pursuant to that chapter.

Adding those persons to the list of providers of health care makes certain requirements that are currently applicable to other providers of health care applicable to those persons as well. Such requirements include, without limitation, retention of patient records, requirements for billing, standards for advertisements and criminal penalties for acquiring certain debts. (NRS 629.051, 629.071, 629.076, 629.078)

Existing law also includes the definition of “provider of health care” by reference in various other provisions. By expanding the definition, the bill expands the definition for those other provisions, thereby making those provisions include associates in social work, social workers, independent social workers, clinical social workers, alcohol and drug abuse counselors and problem gambling counselors as providers of health care. The term is referenced in provisions relating to various subjects including, without limitation, admissibility of the testimony of hypnotized witnesses, power of attorney, practice during declared emergencies, investigations conducted concerning facilities for long-term care, confidentiality of reports and referrals relating to maternal health, payments by insurance, release of the results of certain laboratory tests, drug donation programs, interpreters and realtime captioning providers and the Silver State Health Insurance Exchange. (NRS 41.141, 48.039, 162A.790, 415A.210, 427A.145, 442.395, 449.2475, chapter 453B of NRS, NRS 652.193, chapters 656A and 695I of NRS)
