SENATE JOINT RESOLUTION—Proposing to amend the Nevada
Constitution to require the recognition of all marriages,
regardless of gender.

Legislative Counsel's Digest:

1 Section 21 of Article 1 of the Nevada Constitution provides that only a
2 marriage between a male and female person may be recognized and given effect in
3 this State. This resolution amends that provision to require the State of Nevada and
4 its political subdivisions to recognize all marriages, regardless of gender. This
5 resolution gives religious organizations and clergy the right to refuse to solemnize a
6 marriage and provides that no person has the right to make a claim against a
7 religious organization or clergy for refusing to solemnize a marriage. This
8 resolution further provides that all legally valid marriages shall be treated equally
9 under the law.
