City/County: **Carson City**

Approved by: Nickolas A. Providenti, Finance Director

Comment: This bill would have minimal fiscal impact to Carson City. We are estimating \$2,500 per year.

Sec. 22(4) – This legislation requires emergency shelters for children to be licensed by the State. This legislation would require that Carson City inspect the food service area of emergency shelter facilities. There may be a fiscal impact to Carson City since annual inspections would be required. The amount of the fiscal impact would be dependent on the number of these facilities in Carson City.

Also, this legislation could include foster homes or homes like Austin's House. This could increase our CPS responsibilities should the rates increase. Also, it could increase our Developmental Services cost if an eligible child needed to be placed in the emergency shelter, although, these children should not be "new" to us.

Impact	FY 2014-15	FY 2015-16	FY 2016-17	Future Biennia
Has Impact	\$0	\$2,500	\$2,500	\$5,000

City/County: **Churchill County**

Approved by: Eleanor Lockwood, County Manager

Comment: No impact is anticipated for rural counties, such as Churchill County.

City/County: **Clark County**

Approved by: David Dobrzynski, Assistant Director of Finance

Comment: No fiscal impact regarding the definition for emergency shelters and child care institutions. Currently under NRS 432A.260 Child Haven is classified as a child care institution. This classification limits the number of children that they can have on the premise based on our license. This proposed legislation would classify Child Haven as such and would not tie us to a certain number of children we are approved for. It better defines our function and allows for creation of Nevada Administrative Code that would better align to the services we offer.

City/County: White Pine County Approved by: Elizabeth Frances, Finance Director Comment: The County does not operate an emergency shelter but utilizes contracts to provide these services when necessary. The impact of the proposed changes is the potential of increased costs for the County's contracts.
