The State Public Charter School Authority (SPCSA) anticipates a fiscal impact if BDR 34-408 is approved as submitted. However, SPCSA is not able to provide estimated fiscal impact due to multiple variables which are unclear at this time. SPCSA anticipates potential fiscal impact to be related to variables such as, but not limited to: revenue or pass-through funding; requirements of stewardship associated with potential funding; and any obligation to ensure compliance with established standards for charter schools under our jurisdiction.
