Explanation

(Use Additional Sheets of Attachments, if required)

BDR 43-413 authorizes the personalization of Classic Rod and Classic Vehicle license plates. The estimated programming to implement this BDR is 94 hours. The Department has determined no fiscal impact since programming will be done in-house. Due to the existing priorities and mandates, the Department proposes to change the effective date from January 1, 2016, to as soon as practicable after January 1, 2016, upon determining that sufficient resources are available to implement this bill.
