Explanation

(Use Additional Sheets of Attachments, if required)

We do not have enough information to assign a fiscal note to BDR 23-10 at this time. The proposed language states, in part, "The (POST) Commission shall adopt regulations regarding the minimum training required to comply with the requirements of subsection 1." Once the regulations that may be adopted, particularly with regard to frequency and length of the required training, become available, we will be able to determine what fiscal impact, if any, this bill will have on our agency.
