State Agency: **Nevada Commission on Ethics**

Approved by: /s/ Yvonne M. Nevarez-Goodson, Executive Director

Comment: S.B. 70 (BDR 19-155) amends various provisions related to Public Records and the Open Meeting Law. The majority of provisions clarify certain exemptions from compliance with the Open Meeting Law and Public records for certain provisions of the Ethics in Government Law (NRS 281A). Section 4 of the bill would require public bodies, including the Nevada Commission on Ethics, to submit written certifications with the Attorney General that the Commission has complied with the minimum public notice requirements of the Open Meeting Law for each public meeting of the Commission. For each monthly Commission meeting, Commission staff prepares a meeting agenda and posts a copy of the meeting and otherwise notifies certain persons not later than 9:00 a.m. of the third working day before the meeting. S.B. 70 does not clarify how the written certification must be submitted. Whether there is an electronic submission or mailing, staff time to prepare the certification acknowledging compliance will be nominal and create no fiscal impact for the Commission. Mailing such a form would also be negligible expense for the Commission.

Section 5 of S.B. 70 would require all public bodies to approve the minutes of each meeting at the next meeting of the public body, unless good cause is shown otherwise. The Commission's policy already establishes the approval of its meeting minutes at the next regularly scheduled meeting. Staff time to prepare minutes would not increase or decrease with this new requirement. Therefore, this section creates no fiscal impact for the Commission.

No other provisions of the bill create a fiscal impact for the Commission.

Approved by: Scott K. Sisco, Deputy Director

Comment: Senate Bill 70 proposes to amend NRS 241.016 which defines the quorum of a public body. The amendment would revise provisions to the Open Meeting Law and institute a complaint system to report lack of compliance with the law. The Nevada Department of Corrections administrative staff has reviewed this bill draft and concluded that passage of this law should have not impact.

State Agency: **Nevada System of Higher Education**

Approved by: Heidi Sakelarios, Budget Officer

Comment: If enacted, it appears that this legislation would have no fiscal impact on the NSHE or its institutions contingent upon the interpretation of "good cause" included in Section 6.1.

If insufficient staff is not considered "good cause" for not approving the minutes of a meeting at the next meeting of the public body, then the Board of Regents Office would anticipate a fiscal impact. The fiscal impact would include the need for additional staff or contractual services to prepare the minutes within the proposed time frame.

This legislation would affect not only the Board of Regents, but all of its committees, including special and ad hoc committees appointed to address unanticipated matters, such as presidential searches, and all foundation meetings when the Board sits as the Board of Trustees for the foundations. Staff do not always have sufficient time to prepare minutes by the next meeting of the public body, which could occur the next day or within a few days.
