Local Government Responses  
**S.B. 110 / BDR 43 - 609**

City/County: <b>Carson City</b> Approved by: Nickolas A. Providenti, Finance Director Comment: This bill would have a financial impact to Carson City. We would have to get an additional license from the state to receive these vehicles at the Carson City Landfill and this would probably require the City to add an additional premium to our insurance. I anticipate this cost to be \$25,000 annually.

City/County: <b>City of Las Vegas</b> Approved by: Michelle Thackston, Administrative Secretary Comment: BDR 43-609 appears to state that in addition to the above provision the proposed alternative notice can be utilized. As long as the above remains as the provisions of NRS 487.230 remain in place as Code Enforcement's primary option we can continue to remove abandoned vehicles quickly. We currently require them to be removed within 10 days. The notice procedures in BDR 43-609 require up to 60 days which would be an undue burden on a neighborhood. However, as long as there is an option to continue what we are currently doing, we do not see a fiscal impact.
