BDR 24-627 Section 6 amends NRS 293.1755 to state that any person who knowingly and willfully files an acceptance of candidacy or declaration of candidacy which contains a false statement regarding the person's residency is guilty of a category D felony. If enacted, the General Services Division (GSD) would need to delete one Nevada Offense Code (NOC) and create another NOC. The NOCs are used by all Nevada criminal justice agencies to share arrest and booking information electronically with GSD's Criminal History Repository and the Administrative Office of the Courts. The revisions and additions of the NOCs can be a time and labor-intensive effort depending upon the complexity of the crimes. The cumulative impact to the division's Criminal History Repository resulting from revisions, additions and deletions to the NOCs must be considered. GSD requests to return to the Nevada Legislature's Interim Finance Committee in the 2016-2017 biennium should workload increases necessitate additional staffing.
