Explanation

(Use Additional Sheets of Attachments, if required)

Section 6 of BDR 40-84 requires the Division of Public and Behavioral Health to establish and maintain the stroke registry. The Division would accomplish this through the use of a web based solution from Quintiles, which conforms to the Get with the Guidelines metrics developed and approved by the American Heart Association. Other bill requirements to encourage medical facilities and providers to share information and to facilitate the sharing and analysis of this information and reporting can be accomplished with existing staff and resources.
