School District: <b>Esmeralda County School District</b> Approved by: Monie Byers, Superintendent Comment: In order to add to current non-discriminatory verbiage in all district documents, both printed and online, it would take six months. School District: **Nye County School District**

Approved by: Kerry Paniagua, Executive Secretary

Comment: Passage of this bill would require Nye Co. School District to review & change policies, administrative regulations, parent/teacher handbooks, field/activity books & update its web site. Changed documents will have to be presented to the board of trustees for approval prior to effective date. Additional clerical staff will have to be hired to accomplish this task as current district staff is fully employed carrying out current responsibilities or overtime would have to be paid. It would take as much as 26 weeks to accomplish this task. Cost will also be added for the printing & distribution of all printed materials.

Although we are not aware of any practices that would violate the provisions of this bill draft, it would be necessary for the District to provide sufficient training so that personnel understand the issue and comply.
