City/County: Churchill County Approved by: Eleanor Lockwood, County Manager Comment: Churchill County requires a business license for child care facilities, and currently we rely on State entities to conduct inspections related to space needs, supervision etc. Bill 38-628 appears to require the Board to adopt regulations, and implies the County would be responsible for inspections. If this is the case, the cost would be significant, as it would result in establishing a new department and hiring skilled personnel to carry out the inspections. Estimated cost >\$80,000 annually.
