BDR 15-653 (SB197) relating to liens. Section 1 provides that if the lien or encumbrance is forged or fraudulently altered, contains a false statement of material fact or is filed, registered, recorded or presented in bad faith for the purpose of harassing or defrauding such persons is guilty of a category B felony and is also subject to a stricter penalty if the person commits a second or subsequent offense. If enacted, the General Services Division (GSD) would need to add five new Nevada Offense Codes (NOCs). The NOCs are used by all Nevada criminal justice agencies to share arrest and booking information electronically with GSD's Criminal History Repository and the Administrative Office of the Courts. The revisions and additions of the NOCs can be a time and labor-intensive effort depending upon the complexity of the crimes. The cumulative impact to the division's Criminal History Repository resulting from revisions, additions and deletions to the NOCs must be considered. GSD requests to return to the Nevada Legislature's Interim Finance Committee in the 2016-2017 biennium should workload increases necessitate additional staffing.
