Cat. 26 - EITS 100 hrs x \$100 (Expense)		\$10,000		
Total	0	\$31,000	0	0

Explanation

(Use Additional Sheets of Attachments, if required)

BDR 38-982 (SB248) Sections 13-22, 29 and 45 of this bill require the Department of Motor Vehicles (DMV) to place a designation on: (1) the driver's license or instruction permit of a qualified person indicating that the person is a person with a disability; (2) the identification card of a qualified person indicating that the person is blind or is a person with a disability; and (3) the driver's license, instruction permit or identification card of a qualified person indicating that the person is blind or is a person with a disability and is unable to use a voting device without assistance. The Department of Public Safety, General Services Division (GSD) maintains the Nevada Criminal Justice Information System (NCJIS) DMV files accessible by authorized criminal justice entities. If this bill is enacted, the NCJIS DMV files will need to be modified by NorSoft Consulting to properly display the designation of a qualified person indicating that the person is blind or is a person with a disability and is unable to use a voting device without assistance. The fiscal impact to GSD will be the costs for the modifications to the Justice Link system. Costs from NorSoft Consulting and Enterprise Information Technology Services (EITS) are included within this impact.
