BDR 16-568 (AB214) relating to public safety. Section 3 increases the penalty for a person who solicits a child for prostitution. If enacted, the General Services Division (GSD) would need to add two new Nevada Offense Codes (NOCs) and modify one existing NOC. The NOCs are used by all Nevada criminal justice agencies to share arrest and booking information electronically with GSD's Criminal History Repository and the Administrative Office of the Courts. The revisions and additions of the NOCs can be a time and labor-intensive effort depending upon the complexity of the crimes. The cumulative impact to the division's Criminal History Repository resulting from revisions, additions and deletions to the NOCs must be considered. GSD requests to return to the Nevada Legislature's Interim Finance Committee in the 2016-2017 biennium should workload increases necessitate additional staffing.
