The Department of Corrections has reviewed Bill Draft Request 15-736 which proposes to amend NRS 206.330 to add that it will be a category C felony to commit five or more graffiti offenses pursuant to a scheme or continuing course of conduct, regardless of the value of the loss. The NDOC inspected its records and noted that from May 12, 2012 to February 4, 2015 only two offenders were admitted who were charged with category E felonies involving graffiti offenses. Each of these inmates had one offense. Thus, it is concluded that passage of the law will be negligible and should have no impact on the size of the prison population.
