BDR 15-566 (AB223) relating to crimes; Section 14 of this bill revises existing penalties relating to the abuse or neglect of older persons and vulnerable persons and imposes a new penalty for the abandonment of an older person or vulnerable person. If enacted, this bill would require the General Services Division (GSD) of the Department of Public Safety to create six new and modify eleven existing Nevada Offense Codes (NOCs). The NOCs are used by all Nevada criminal justice agencies to share arrest and booking information electronically with GSD's Criminal History Repository and the Administrative Office of the Courts. The revisions and additions of the NOCs can be a time and labor-intensive effort depending upon the complexity of the crimes. The cumulative impact to the division's Criminal History Repository resulting from revisions, additions and deletions to the NOCs must be considered. GSD requests to return to the Nevada Legislature's Interim Finance Committee in the 2016-2017 biennium should workload increases necessitate additional staffing.
