BDR 15-922 (AB287) relating to crimes; prohibiting a person from making or causing to be made a 311 nonemergency telephone call under certain circumstances; providing penalties; and providing other matters properly relating thereto. This bill makes it a gross misdemeanor for a person to knowingly or willfully make or cause to be made a 311 nonemergency telephone call to report and emergency if no actual or perceived emergency exists. This bill also makes it a category E felony for a person to commit this offense if the person knew or reasonably should have known that his or her conduct would create a risk which is likely to and actually results in the death or serious bodily injury of another. If enacted, the General Services Division (GSD) would need to add one new Nevada Offense Code (NOC). The NOCs are used by all Nevada criminal justice agencies to share arrest and booking information electronically with GSD's Criminal History Repository and the Administrative Office of the Courts. The revisions and additions of the NOCs can be a time and labor-intensive effort depending upon the complexity of the crimes. As of March 12, 2015, the cumulative impact of legislation from the 2013 session combined with the current cumulative impact of the 2015 legislative session has necessitated additional staffing. GSD will return to the Interim Finance Committee in the 2016-2017 biennium to request additional staffing based upon the final 2015 session cumulative impact of the NOCs.
