Explanation

(Use Additional Sheets of Attachments, if required)

The creation of a new Death Care Consultant License will create increased revenue for the Nevada Funeral Board. It is estimated that there are close to 90 unlicensed individuals making arrangements with families. Licensing those individuals would create approximately \$33,000 in revenue the first year at \$375 for each initial license. It is estimated that up to 10 people per year may apply for a new license and the \$18,000 in fiscal year 2016/2017 represents renewal of 90 Death Care Consultant licenses.
