Explanation

(Use Additional Sheets of Attachments, if required)

First off we have to find a company that will administer the exam and we are unsure of the exact charges to do such a thing. This will mean that we have to be able to raise the cost of the exam to the candidates to cover expenses. We are looking at about \$1500 to \$2000 to bring a vendor in to administer the exam. Right now we charge the candidate \$75 to take the instructors exam.
