Section 5 of the bill would require the Department to waive the driving skills test for any military member of the Armed Forces of the United States. Subsections 1 & 2 define the requirements the applicant would have to complete prior to receiving the waiver.

Pursuant to Title 49 CFR 383.77, the Department may provide a drive skills test waiver to military personnel. The Department has been providing this waiver to military personnel under our current policy and procedures, which aligns with the proposed language within this bill. The agency has reviewed the bill and determined that there is no fiscal impact.
