Explanation

(Use Additional Sheets of Attachments, if required)

BDR 53-295(AB89) would make it easier for veterans and for spouses of active duty military personnel to obtain professional/occupational licenses in Nevada based upon their previous military experience and/or by virtue of their holding a professional/occupational license in another state. This group is currently considered within the civil applicant finger print caseload. The General Services Division (GSD) of the Department of Public Safety does not anticipate a fiscal impact.
