BDR 58-967 (AB385) relating to tow cars; prohibiting operators of tow cars from towing certain vehicles to any location other than a designated vehicle storage lot under certain circumstances; revising provisions relating to operators of tow cars; providing civil and criminal penalties. If enacted, the General Services Division (GSD) would need to add three new Nevada Offense Codes (NOCs). The NOCs are used by all Nevada criminal justice agencies to share arrest and booking information electronically with GSD's Criminal History Repository and the Administrative Office of the Courts. The revisions and additions of the NOCs can be a time and labor-intensive effort depending upon the complexity of the crimes. As of March 12, 2015, the cumulative impact of legislation from the 2013 session combined with the current cumulative impact of the 2015 legislative session has necessitated additional staffing. GSD will return to the Interim Finance Committee in the 2016-2017 biennium to request additional staffing based upon the final 2015 session cumulative impact of the NOCs.
