BDR 54-1174 (AB480) relating to mortgage lending. Section 8, subsection 3d includes the submission of a complete set of fingerprints of each control person of the applicant to be forwarded to the General Services Division (GSD) Central Repository for a Federal Bureau of Investigations (FBI) background report. Because the GSD has no way to estimate the number of individuals this requirement could cover, and thus no way to estimate the additional number of fingerprint submission that may be required, a definitive cost estimate cannot be provided at this time. Also, if enacted the FBI will need to review and approve the language pursuant to Public Law 92-544 as a condition of releasing its criminal history records. GSD requests to return to the Nevada Legislature's Interim Finance Committee in the 2016-2017 biennium should workload increases necessitate additional staffing. In addition, if enacted (GSD) would need to add two new Nevada Offense Codes (NOCs). The NOCs are used by all Nevada criminal justice agencies to share arrest and booking information electronically with GSD's Criminal History Repository and the Administrative Office of the Courts. The revisions and additions of the NOCs can be a time and labor-intensive effort depending upon the complexity of the crimes. As of March 12, 2015, the cumulative impact of legislation from the 2013 session combined with the current cumulative impact of the 2015 legislative session has necessitated additional staffing. GSD will return to the Interim Finance Committee in the 2016-2017 biennium to request additional staffing based upon the final 2015 session cumulative impact of the NOCs.
