Has Impact	\$0	\$0	\$0	\$0

City/County: Washoe County Approved by: Liane Lee, Government Affairs Manager Comment: This bill allows for the appointment of a citizen panel to make selections of early voting locations around the County. The fiscal impact of this could be minimal or far-reaching, depending upon what decisions this committee made. Costs could range from personnel expenditures to retro-fitting a facility in order to make it compliant with the requirements of election law. The complexity and length of time this would add to the process would be crippling.				
Impact	FY 2014-15	FY 2015-16	FY 2016-17	Future Biennia
Cannot Be Determined	\$0	\$0	\$0	\$0

City/County: White Pine County Approved by: Elizabeth Frances, Finance Director Comment: This would require the County to organize and publicly post meetings for a voting commission, place items on the agenda for the County Commission and provide for a temporary polling place which would need to be staffed. This would require additional staff salary/benefits and supplies. An exact amount cannot be determined, however, this would result in adverse impact to the County.

City/County: **City of Las Vegas**

Approved by: Michelle Thackston, Administrative Secretary

Comment: If City of Las Vegas has to facilitate the creation and operation of an early voting commission, there will be a fiscal impact. Currently, our City Council members serve as that commission in that all early vote locations are vetted and approved by them. Additional administrative costs to include covering open meetings for this commission as the bill states the commission will have to adhere to NRS 241. That is dependent on how frequently the commission meets.
