Local Government Responses
A.B. 400 / BDR 34 - 819

School District: Carson City School District Approved by: Andrew J Feuling, Director of Fiscal Services Comment: It would seem to me that with no recruiting by private schools, our teams may improve and have a better chance of being in playoffs and such, which would come with some additional expenses, but there is no way to know what that cost is.				
Impact	FY 2014-15	FY 2015-16	FY 2016-17	Future Biennia
Cannot Be Determined	\$0	\$0	\$0	\$0

School District: Clark County School District Approved by: Nikki Thorn, Deputy CFO Comment: This bill has some unreasonable mandates for the state association. The draft could have fiscal impact on CCSD schools. An unfunded mandate or requirement for the Nevada Interscholastic Activities Association (NIAA) to conduct a study could place a financial burden on the association that could result in an increase in membership dues for schools. CCSD cannot accurately determine if and how much dues could be impacted, however, a 10% increase in dues would amount to \$12,100.
