City/County: Humboldt County Approved by: Dave Mendiola, Administrator Comment: The would definitely have an impact in Humboldt County, however, I cannot say definitely that it would be good or bad. It certainly depends upon the districts and what the end game is. It could be very positive from a fire protection perspective as it could provide additional coverage for blind spots and it could better utilize the resources of each district. It really depends upon the two or more districts that are merging.				
Impact	FY 2014-15	FY 2015-16	FY 2016-17	Future Biennia
Cannot Be Determined	\$0	\$0	\$0	\$0

City/County: Washoe County Approved by: Liane Lee, Government Affairs Manager Comment: The saving from the combining of these two fire enties will come from not duplicating external audits preparing separate budgets as well as a great deal staff time spent duplicating tasks rather than doing only once when the two departments are formally combined. The anticipated saving from the combining of these entities is estimated to save between \$60,000 and \$80,000 per year.
