Local Government Responses
S.B. 312 / BDR 21 - 834

City/County: **Washoe County**

Approved by: Liane Lee , Government Affairs Manager

Comment: This bill as written would require Washoe County to establish and staff a program for the administration and collection of a \$3 surcharge on the per night cost for the rental of a room in a hotel. This surcharge “must be collected by the county in accordance with the schedule

prescribed by the governing body of the district” and would apply to room rentals within a newly formed district. Because “The county shall not retain any of the proceeds from the surcharge”, it is assumed that the cost of administration and collection would be borne by the county. Those costs are estimated above.

The revenues to be collected are restricted to use only for “the costs for advertising, publicizing and promoting the recreational facilities located in the district” and “to pay the cost of improving and maintaining publicly owned facilities for tourism and entertainment in the district, except for a minor league baseball stadium project as defined in NRS 244A.0344.”
