City/County: **Clark County**

Approved by: David Dobrzynski, Assistant Director of Finance

Comment: The term in Section 2 (2) (a) "providing such data as may be necessary" may be interpreted two different ways. If Clark County Department of Business License is to provide data that is already available, then there will be no fiscal impact. If Clark County Department of Business License is to provide data that may be necessary but not currently available and must research and develop that data, there will be a fiscal impact which can't be estimated until the extent of that requirement is known.
