City/County: City of Las Vegas Approved by: Michelle Thackston, Administrative Secretary Comment: Revises provisions governing the dates for certain city elections to move them to even years. We anticipate a fiscal impact but are undetermined as to what that would be. The City would still have to pay the County to host our municipal candidates and issues on the ballot as well as provide all other election related services. The City might have the opportunity to split all of the costs with additional players (such as Federal and State customers of CCED), however, we don't know for sure if there would be a cost savings.
