Board: **Nevada State Board of Funeral and Cemetery**

Approved by: Jennifer Kandt, Executive Director

Comment: My agency only has 1 full time employee and 1 part time employee. We lease space that does not include a separate private area that could be used for this purpose. I am unclear from reading the bill whether we would be exempt since we have fewer than 25 employees or if the rule is different for a public employer and we would need to lease additional space. Is the space required only if you have a nursing mother employed, or is the space required whether or not you employ a nursing mother?
