No Impact	\$0	\$0	\$0	\$0

School District: Lyon County School District Approved by: Philip Cowee, Director of Finance Comment: BDR S-1083 would have fiscal impacts to the district. Creating the commission of spending and government efficiency would most likely require the district to provide resources to the commission. In order for the commission to make recommendations they will need the participation of the districts for information. Any further erosion of funding based on the commission findings will have negative fiscal impacts.

School District: White Pine County School District Approved by: Paul Johnson, CFO Comment: Great. Can't wait for the Commission to visit White Pine and make recommendations to increase operating efficiency. I would hope that the commission would visit and investigate each school district to make recommendations instead of making generalized assumptions with the misunderstanding that one size fits all.
