Comment: The proposal would help fund DSA in case of a shortfall, however there appears to be no cost for fiscal impact to a district's current financial obligations.

Cannot Be Determined	$0	$0	$0	$0

School District: **White Pine County School District**

Approved by: Paul Johnson, CFO

Comment: A stabilization fund would be a tremendous support to make certain that students receive equitable education services across time. It would also reduce or eliminate learning gaps caused by financial erosion or, in other words, the reduction of educational services cause by diminished recourse. This would prevent students in prosperous times having better educational opportunities than students attending school during times of economic stress.

Impact	FY 2014-15	FY 2015-16	FY 2016-17	Future Biennia
Cannot Be Determined	$0	$0	$0	$0
