(Use Additional Sheets of Attachments, if required)

Upon further review and consideration of the anticipated impact to the limited line of casualty insurance by SB253, the Division of Insurance believes the impact to the general fund in the form of anticipated reduction of revenue, and not an increase to agency costs; will be less than first anticipated. The total amount represents a loss to the General Fund of \$19,766 over the biennium, and \$19,766 on future biennia.
