EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to nursing; ratifying the Nurse Licensure Compact; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law generally provides for the regulation of nurses in this State.
2 (Chapter 632 of NRS) This bill ratifies the enhanced Nurse Licensure Compact
3 adopted by the National Council of State Boards of Nursing. If a nurse residing in
4 this State is issued a multistate license in this State, the Compact provides for a
5 licensure privilege for that nurse in all other member states of the Compact. The
6 Compact regulates the licensure and discipline of nurses holding multistate licenses
7 through the Compact. The Compact also creates the Interstate Commission of
8 Nurse Licensure Compact Administrators to carry out the Compact, and provides
9 for the governance of the Commission, including, without limitation, authorizing
10 the Commission to levy and collect assessments from member states to cover the
11 cost of its operations. The Compact becomes effective either upon ratification by 26
12 states or on December 31, 2018, whichever occurs first. Currently, 10 states have
13 ratified the enhanced Compact.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 632 of NRS is hereby amended by adding
thereto a new section to read as follows:

*The Nurse Licensure Compact is hereby ratified and entered
into with all other jurisdictions legally joining the Compact, in the
form substantially as follows:*

NURSE LICENSURE COMPACT

ARTICLE I.

FINDINGS AND DECLARATION OF PURPOSE

a. The party states find that:

***1. The health and safety of the public are affected by the
degree of compliance with and the effectiveness of enforcement
activities related to nurse licensure laws;***

***2. Violations of nurse licensure and other laws regulating
the practice of nursing may result in injury or harm to the public;***

***3. The expanded mobility of nurses and the use of
advanced communication technologies as part of our nation's
health care delivery system require greater coordination and
cooperation among states in the areas of nurse licensure and
regulation;***

***4. New practice modalities and technology make
compliance with individual state nurse licensure laws difficult and
complex;***

***5. The current system of duplicative licensure for nurses
practicing in multiple states is cumbersome and redundant for
both nurses and states; and***

***6. Uniformity of nurse licensure requirements throughout
the states promotes public safety and public health benefits.***

b. The general purposes of this Compact are to:

***1. Facilitate the states' responsibility to protect the
public's health and safety;***

***2. Ensure and encourage the cooperation of party states in
the areas of nurse licensure and regulation;***

***3. Facilitate the exchange of information between party
states in the areas of nurse regulation, investigation and adverse
actions;***

***4. Promote compliance with the laws governing the
practice of nursing in each jurisdiction;***

17 *witnesses or evidence are located.*

18 *5. Obtain and submit, for each nurse licensure applicant,*
19 *fingerprint or other biometric-based information to the Federal*
20 *Bureau of Investigation for criminal background checks, receive*
21 *the results of the Federal Bureau of Investigation record search*
22 *on criminal background checks and use the results in making*
23 *licensure decisions.*

24 *6. If otherwise permitted by state law, recover from the*
25 *affected nurse the costs of investigations and disposition of cases*
26 *resulting from any adverse action taken against that nurse.*

27 *7. Take adverse action based on the factual findings of the*
28 *remote state, provided that the licensing board follows its own*
29 *procedures for taking such adverse action.*

30 *b. If adverse action is taken by the home state against a*
31 *nurse's multistate license, the nurse's multistate licensure*
32 *privilege to practice in all other party states shall be deactivated*
33 *until all encumbrances have been removed from the multistate*
34 *license. All home state disciplinary orders that impose adverse*
35 *action against a nurse's multistate license shall include a*
36 *statement that the nurse's multistate licensure privilege is*
37 *deactivated in all party states during the pendency of the order.*

38 *c. Nothing in this Compact shall override a party state's*
39 *decision that participation in an alternative program may be used*
40 *in lieu of adverse action. The home state licensing board shall*
41 *deactivate the multistate licensure privilege under the multistate*
42 *license of any nurse for the duration of the nurse's participation*
43 *in an alternative program.*

1 1. The Commission shall pay, or provide for the payment
2 of, the reasonable expenses of its establishment, organization and
3 ongoing activities.

4 2. The Commission may also levy on and collect an
5 annual assessment from each party state to cover the cost of its
6 operations, activities and staff in its annual budget as approved
7 each year. The aggregate annual assessment amount, if any, shall
8 be allocated based upon a formula to be determined by the
9 Commission, which shall promulgate a rule that is binding upon
10 all party states.

11 3. The Commission shall not incur obligations of any kind
12 prior to securing the funds adequate to meet the same; nor shall
13 the Commission pledge the credit of any of the party states, except
14 by, and with the authority of, such party state.

15 4. The Commission shall keep accurate accounts of all
16 receipts and disbursements. The receipts and disbursements of the
17 Commission shall be subject to the audit and accounting
18 procedures established under its bylaws. However, all receipts and
19 disbursements of funds handled by the Commission shall be
20 audited yearly by a certified or licensed public accountant, and the
21 report of the audit shall be included in and become part of the
22 annual report of the Commission.

23 i. Qualified Immunity, Defense and Indemnification

24 1. The administrators, officers, executive director,
25 employees and representatives of the Commission shall be immune
26 from suit and liability, either personally or in their official
27 capacity, for any claim for damage to or loss of property or
28 personal injury or other civil liability caused by or arising out of
29 any actual or alleged act, error or omission that occurred, or that
30 the person against whom the claim is made had a reasonable basis
31 for believing occurred, within the scope of Commission
32 employment, duties or responsibilities; provided that nothing in
33 this paragraph shall be construed to protect any such person from
34 suit or liability for any damage, loss, injury or liability caused by
35 the intentional, willful or wanton misconduct of that person.

36 2. The Commission shall defend any administrator,
37 officer, executive director, employee or representative of the
38 Commission in any civil action seeking to impose liability arising
39 out of any actual or alleged act, error or omission that occurred
40 within the scope of Commission employment, duties or
41 responsibilities, or that the person against whom the claim is made
42 had a reasonable basis for believing occurred within the scope of
43 Commission employment, duties or responsibilities; provided that
44 nothing herein shall be construed to prohibit that person from
45 retaining his or her own counsel; and provided further that the

1 *actual or alleged act, error or omission did not result from that*
2 *person's intentional, willful or wanton misconduct.*

3 3. *The Commission shall indemnify and hold harmless*
4 *any administrator, officer, executive director, employee or*
5 *representative of the Commission for the amount of any settlement*
6 *or judgment obtained against that person arising out of any actual*
7 *or alleged act, error or omission that occurred within the scope of*
8 *Commission employment, duties or responsibilities, or that such*
9 *person had a reasonable basis for believing occurred within the*
10 *scope of Commission employment, duties or responsibilities,*
11 *provided that the actual or alleged act, error or omission did not*
12 *result from the intentional, willful or wanton misconduct of that*
13 *person.*

14 15 *ARTICLE VIII.*

16 17 *RULEMAKING*

18
19 a. *The Commission shall exercise its rulemaking powers*
20 *pursuant to the criteria set forth in this Article and the rules*
21 *adopted thereunder. Rules and amendments shall become binding*
22 *as of the date specified in each rule or amendment and shall have*
23 *the same force and effect as provisions of this Compact.*

24 b. *Rules or amendments to the rules shall be adopted at a*
25 *regular or special meeting of the Commission.*

26 c. *Prior to promulgation and adoption of a final rule or rules*
27 *by the Commission, and at least sixty (60) days in advance of the*
28 *meeting at which the rule will be considered and voted upon, the*
29 *Commission shall file a notice of proposed rulemaking:*

30 1. *On the website of the Commission; and*

31 2. *On the website of each licensing board or the*
32 *publication in which each state would otherwise publish proposed*
33 *rules.*

34 d. *The notice of proposed rulemaking shall include:*

35 1. *The proposed time, date and location of the meeting in*
36 *which the rule will be considered and voted upon;*

37 2. *The text of the proposed rule or amendment, and the*
38 *reason for the proposed rule;*

39 3. *A request for comments on the proposed rule from any*
40 *interested person; and*

41 4. *The manner in which interested persons may submit*
42 *notice to the Commission of their intention to attend the public*
43 *hearing and any written comments.*

1 *e. Prior to adoption of a proposed rule, the Commission shall*
2 *allow persons to submit written data, facts, opinions and*
3 *arguments, which shall be made available to the public.*

4 *f. The Commission shall grant an opportunity for a public*
5 *hearing before it adopts a rule or amendment.*

6 *g. The Commission shall publish the place, time and date of*
7 *the scheduled public hearing.*

8 *1. Hearings shall be conducted in a manner providing*
9 *each person who wishes to comment a fair and reasonable*
10 *opportunity to comment orally or in writing. All hearings will be*
11 *recorded, and a copy will be made available upon request.*

12 *2. Nothing in this section shall be construed as requiring a*
13 *separate hearing on each rule. Rules may be grouped for the*
14 *convenience of the Commission at hearings required by this*
15 *section.*

16 *h. If no one appears at the public hearing, the Commission*
17 *may proceed with promulgation of the proposed rule.*

18 *i. Following the scheduled hearing date, or by the close of*
19 *business on the scheduled hearing date if the hearing was not*
20 *held, the Commission shall consider all written and oral comments*
21 *received.*

22 *j. The Commission shall, by majority vote of all*
23 *administrators, take final action on the proposed rule and shall*
24 *determine the effective date of the rule, if any, based on the*
25 *rulemaking record and the full text of the rule.*

26 *k. Upon determination that an emergency exists, the*
27 *Commission may consider and adopt an emergency rule without*
28 *prior notice, opportunity for comment or hearing, provided that*
29 *the usual rulemaking procedures provided in this Compact and in*
30 *this section shall be retroactively applied to the rule as soon as*
31 *reasonably possible, in no event later than ninety (90) days after*
32 *the effective date of the rule. For the purposes of this provision, an*
33 *emergency rule is one that must be adopted immediately in order*
34 *to:*

35 *1. Meet an imminent threat to public health, safety or*
36 *welfare;*

37 *2. Prevent a loss of Commission or party state funds; or*

38 *3. Meet a deadline for the promulgation of an*
39 *administrative rule that is required by federal law or rule.*

40 *l. The Commission may direct revisions to a previously*
41 *adopted rule or amendment for purposes of correcting*
42 *typographical errors, errors in format, errors in consistency or*
43 *grammatical errors. Public notice of any revisions shall be posted*
44 *on the website of the Commission. The revision shall be subject to*
45 *challenge by any person for a period of thirty (30) days after*

1 *posting. The revision may be challenged only on grounds that the*
2 *revision results in a material change to a rule. A challenge shall*
3 *be made in writing, and delivered to the Commission, prior to the*
4 *end of the notice period. If no challenge is made, the revision will*
5 *take effect without further action. If the revision is challenged, the*
6 *revision may not take effect without the approval of the*
7 *Commission.*

8 **ARTICLE IX.**

9
10 **OVERSIGHT, DISPUTE RESOLUTION AND ENFORCEMENT**

11

13 *1. Each party state shall enforce this Compact and take all*
14 *actions necessary and appropriate to effectuate this Compact's*
15 *purposes and intent.*

16 *2. The Commission shall be entitled to receive service of*
17 *process in any proceeding that may affect the powers,*
18 *responsibilities or actions of the Commission, and shall have*
19 *standing to intervene in such a proceeding for all purposes.*
20 *Failure to provide service of process in such proceeding to the*
21 *Commission shall render a judgment or order void as to the*
22 *Commission, this Compact or promulgated rules.*

23 **b. Default, Technical Assistance and Termination**

24 *1. If the Commission determines that a party state has*
25 *defaulted in the performance of its obligations or responsibilities*
26 *under this Compact or the promulgated rules, the Commission*
27 *shall:*

28 *i. Provide written notice to the defaulting state and*
29 *other party states of the nature of the default, the proposed means*
30 *of curing the default or any other action to be taken by the*
31 *Commission; and*

32 *ii. Provide remedial training and specific technical*
33 *assistance regarding the default.*

34 *2. If a state in default fails to cure the default, the*
35 *defaulting state's membership in this Compact may be terminated*
36 *upon an affirmative vote of a majority of the administrators, and*
37 *all rights, privileges and benefits conferred by this Compact may*
38 *be terminated on the effective date of termination. A cure of the*
39 *default does not relieve the offending state of obligations or*
40 *liabilities incurred during the period of default.*

41 *3. Termination of membership in this Compact shall be*
42 *imposed only after all other means of securing compliance have*
43 *been exhausted. Notice of intent to suspend or terminate shall be*
44 *given by the Commission to the governor of the defaulting state*

1 *and to the executive officer of the defaulting state's licensing*
2 *board and each of the party states.*

3 *4. A state whose membership in this Compact has been*
4 *terminated is responsible for all assessments, obligations and*
5 *liabilities incurred through the effective date of termination,*
6 *including obligations that extend beyond the effective date of*
7 *termination.*

8 *5. The Commission shall not bear any costs related to a*
9 *state that is found to be in default or whose membership in this*
10 *Compact has been terminated unless agreed upon in writing*
11 *between the Commission and the defaulting state.*

12 *6. The defaulting state may appeal the action of the*
13 *Commission by petitioning the U.S. District Court for the District*
14 *of Columbia or the federal district in which the Commission has*
15 *its principal offices. The prevailing party shall be awarded all*
16 *costs of such litigation, including reasonable attorneys' fees.*

17 *c. Dispute Resolution*

18 *1. Upon request by a party state, the Commission shall*
19 *attempt to resolve disputes related to the Compact that arise*
20 *among party states and between party and non-party states.*

21 *2. The Commission shall promulgate a rule providing for*
22 *both mediation and binding dispute resolution for disputes, as*
23 *appropriate.*

24 *3. In the event the Commission cannot resolve disputes*
25 *among party states arising under this Compact:*

26 *i. The party states may submit the issues in dispute to*
27 *an arbitration panel, which will be comprised of individuals*
28 *appointed by the Compact administrator in each of the affected*
29 *party states and an individual mutually agreed upon by the*
30 *Compact administrators of all the party states involved in the*
31 *dispute.*

32 *ii. The decision of a majority of the arbitrators shall be*
33 *final and binding.*

34 *d. Enforcement*

35 *1. The Commission, in the reasonable exercise of its*
36 *discretion, shall enforce the provisions and rules of this Compact.*

37 *2. By majority vote, the Commission may initiate legal*
38 *action in the U.S. District Court for the District of Columbia or the*
39 *federal district in which the Commission has its principal offices*
40 *against a party state that is in default to enforce compliance with*
41 *the provisions of this Compact and its promulgated rules and*
42 *bylaws. The relief sought may include both injunctive relief and*
43 *damages. In the event judicial enforcement is necessary, the*
44 *prevailing party shall be awarded all costs of such litigation,*
45 *including reasonable attorneys' fees.*

1 3. *The remedies herein shall not be the exclusive remedies*
2 *of the Commission. The Commission may pursue any other*
3 *remedies available under federal or state law.*

4
5 **ARTICLE X.**

6
7 **EFFECTIVE DATE, WITHDRAWAL AND AMENDMENT**

8
9 a. *This Compact shall become effective and binding on the*
10 *earlier of the date of legislative enactment of this Compact into*
11 *law by no less than twenty-six (26) states or December 31, 2018.*
12 *All party states to this Compact, that also were parties to the prior*
13 *Nurse Licensure Compact, superseded by this Compact, (Prior*
14 *Compact), shall be deemed to have withdrawn from said Prior*
15 *Compact within six (6) months after the effective date of this*
16 *Compact.*

17 b. *Each party state to this Compact shall continue to*
18 *recognize a nurse's multistate licensure privilege to practice in*
19 *that party state issued under the Prior Compact until such party*
20 *state has withdrawn from the Prior Compact.*

21 c. *Any party state may withdraw from this Compact by*
22 *enacting a statute repealing the same. A party state's withdrawal*
23 *shall not take effect until six (6) months after enactment of the*
24 *repealing statute.*

25 d. *A party state's withdrawal or termination shall not affect*
26 *the continuing requirement of the withdrawing or terminated*
27 *state's licensing board to report adverse actions and significant*
28 *investigations occurring prior to the effective date of such*
29 *withdrawal or termination.*

30 e. *Nothing contained in this Compact shall be construed to*
31 *invalidate or prevent any nurse licensure agreement or other*
32 *cooperative arrangement between a party state and a non-party*
33 *state that is made in accordance with the other provisions of this*
34 *Compact.*

35 f. *This Compact may be amended by the party states. No*
36 *amendment to this Compact shall become effective and binding*
37 *upon the party states unless and until it is enacted into the laws of*
38 *all party states.*

39 g. *Representatives of non-party states to this Compact shall*
40 *be invited to participate in the activities of the Commission, on a*
41 *nonvoting basis, prior to the adoption of this Compact by all states.*

ARTICLE XI.

CONSTRUCTION AND SEVERABILITY

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable, and if any phrase, sentence or provision of this Compact is declared to be contrary to the constitution of any party state or of the United States, or if the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held to be contrary to the constitution of any party state, this Compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the party state affected as to all severable matters.
