(BDR 54-32)

ASSEMBLY BILL NO. 105—ASSEMBLYMAN THOMPSON

PREFILED FEBRUARY 7, 2017

Referred to Committee on Commerce and Labor

SUMMARY—Revises continuing education requirements relating to suicide prevention and awareness for certain providers of health care. (BDR 54-32)

FISCAL NOTE: Effect on Local Government: No.
Effect on the State: No.

~

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to public health; revising continuing education requirements relating to suicide prevention and awareness for certain providers of health care; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires or encourages certain providers of health care, including physicians, physician assistants, advanced practice registered nurses, psychologists, behavior analysts, assistant behavior analysts, marriage and family therapists, clinical professional counselors, social workers, alcohol and drug abuse counselors and problem gambling counselors and certain interns related to these professions to receive at least 1 or 2 hours of continuing education in certain topics related to suicide prevention and awareness. (NRS 630.253, 632.343, 633.471, 641.220, 641A.260, 641B.280, 641C.450) **Sections 1-6** of this bill ~~increase to 3 hours and~~ make mandatory ~~certain~~ continuing education requirements relating to suicide prevention and awareness for each of these providers of health care. **It and requires the completion of a course of instruction on suicide prevention and awareness every 4 years.**

Section 1 also removes the authority for certain persons who hold a license to practice medicine, including, without limitation, physicians and psychiatrists, to substitute not more than 2 hours of continuing education in certain topics related to suicide prevention for an equivalent continuing education requirement in ethics. (NRS 630.253)

Section 9 of this bill repeals the prospective expiration of the existing requirement for a physician and osteopathic physician to complete a course of instruction on suicide prevention and awareness. Section 9 also repeals a provision to remove the prospective expiration of the requirement for psychologists, behavior analysts and assistant behavior analysts to complete a course of instruction on suicide prevention and awareness.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 630.253 is hereby amended to read as follows:
630.253 1. The Board shall, as a prerequisite for the:
(a) Renewal of a license as a physician assistant; or

(b) Biennial registration of the holder of a license to practice medicine, require each holder to submit evidence of compliance with the requirements for continuing education as set forth in regulations adopted by the Board.

2. These requirements:

(a) May provide for the completion of one or more courses of instruction relating to risk management in the performance of medical services.

(b) Must provide for the completion of a course of instruction, within 2 years after initial licensure, relating to the medical consequences of an act of terrorism that involves the use of a weapon of mass destruction. The course must provide at least 4 hours of instruction that includes instruction in the following subjects:

(1) An overview of acts of terrorism and weapons of mass destruction;

(2) Personal protective equipment required for acts of terrorism;

(3) Common symptoms and methods of treatment associated with exposure to, or injuries caused by, chemical, biological, radioactive and nuclear agents;

(4) Syndromic surveillance and reporting procedures for acts of terrorism that involve biological agents; and

(5) An overview of the information available on, and the use of, the Health Alert Network.

(c) Must provide for the completion by a holder of a license to practice medicine ~~{who is a psychiatrist}~~ of a course of instruction within 2 years after initial licensure that provides at least 2 ~~{3}~~ hours of instruction on ~~{clinically-based}~~ evidence-based suicide prevention and awareness ~~{assessment, treatment and management}~~ as described in subsection 5.

➤ The Board may thereafter determine whether to include in a program of continuing education additional courses of instruction relating to the medical consequences of an act of terrorism that involves the use of a weapon of mass destruction.

3. The Board shall encourage each holder of a license who treats or cares for persons who are more than 60 years of age to receive, as a portion of their continuing education, education in geriatrics and gerontology, including such topics as:

(a) The skills and knowledge that the licensee needs to address aging issues;

(b) Approaches to providing health care to older persons, including both didactic and clinical approaches;

(c) The biological, behavioral, social and emotional aspects of the aging process; and

(d) The importance of maintenance of function and independence for older persons.

4. The Board shall encourage each holder of a license to practice medicine to receive, as a portion of his or her continuing education, training concerning methods for educating patients about how to effectively manage medications, including, without limitation, the ability of the patient to request to have the symptom or purpose for which a drug is prescribed included on the label attached to the container of the drug.

5. The Board shall ~~{encourage}~~ require each holder of a license to practice medicine ~~{, other than a psychiatrist,}~~ to receive as a portion of his or her continuing education ~~{training concerning suicide, including,}~~ at least ~~{3}~~ 2 hours of instruction every 4 years on evidence-based suicide prevention and awareness, which may include, without limitation, ~~{such topics as:}~~ instruction concerning:

(a) The skills and knowledge that the licensee needs to detect behaviors that may lead to suicide, including, without limitation, post-traumatic stress disorder;

(b) Approaches to engaging other professionals in suicide intervention; and

(c) The detection of suicidal thoughts and ideations and the prevention of suicide.

6. A holder of a license to practice medicine may ~~not~~ substitute ~~not more than 2 hours of~~ the continuing education credits ~~in the detection of suicidal thoughts and ideations, and the intervention and prevention of suicide, pain management or addiction care~~ relating to suicide prevention and awareness required by this section for the purposes of satisfying an equivalent requirement for continuing education in ethics.

7. *A holder of a license to practice medicine may substitute not more than 2 hours of continuing education credits in pain management or addiction care for the purposes of satisfying an equivalent requirement for continuing education in ethics.*

8. As used in this section:

TEXT OF REPEALED SECTIONS

Section 1.3 of chapter 403, Statutes of Nevada 2015:

Sec. 1.3. NRS 630.253 is hereby amended to read as follows:
630.253 1. The Board shall, as a prerequisite for the:

(a) Renewal of a license as a physician assistant; or

(b) Biennial registration of the holder of a license to practice medicine,

↪ require each holder to submit evidence of compliance with the requirements for continuing education as set forth in regulations adopted by the Board.

2. These requirements:

(a) May provide for the completion of one or more courses of instruction relating to risk management in the performance of medical services.

(b) Must provide for the completion of a course of instruction, within 2 years after initial licensure, relating to the medical consequences of an act of terrorism that involves the use of a weapon of mass destruction. The course must provide at least 4 hours of instruction that includes instruction in the following subjects:

(1) An overview of acts of terrorism and weapons of mass destruction;

(2) Personal protective equipment required for acts of terrorism;

(3) Common symptoms and methods of treatment associated with exposure to, or injuries caused by, chemical, biological, radioactive and nuclear agents;

(4) Syndromic surveillance and reporting procedures for acts of terrorism that involve biological agents; and

(5) An overview of the information available on, and the use of, the Health Alert Network.

↪ The Board may thereafter determine whether to include in a program of continuing education additional courses of instruction relating to the medical consequences of an act of terrorism that involves the use of a weapon of mass destruction.

3. The Board shall encourage each holder of a license who treats or cares for persons who are more than 60 years of age to receive, as a portion of their continuing education, education in geriatrics and gerontology, including such topics as:

(a) The skills and knowledge that the licensee needs to address aging issues;

(b) Approaches to providing health care to older persons, including both didactic and clinical approaches;

(c) The biological, behavioral, social and emotional aspects of the aging process; and

(d) The importance of maintenance of function and independence for older persons.

4. The Board shall encourage each holder of a license to practice medicine to receive, as a portion of his or her continuing education, training concerning methods for educating patients about how to effectively manage medications, including, without limitation, the ability of the patient to request to have the symptom or purpose for which a drug is prescribed included on the label attached to the container of the drug.

5. The Board shall encourage each holder of a license to practice medicine to receive as a portion of his or her continuing education training concerning suicide, including, without limitation, such topics as:
