AN ACT relating to civil actions; establishing the procedure for changing the name of a minor; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a person to change his or her name by filing a petition in the district court of the district in which the person resides. (NRS 41.270) Sections ~~12-7.1~~ ~~2-7.5~~ of this bill establish the procedure for changing the name of a minor. **Section 5** of this bill authorizes the parent of an unemancipated minor to file a petition to change the name of the minor. The petition must include ~~the~~ (1) **the** minor's present name; (2) **the** name the minor will bear in the future; (3) **the** reason for the name change; (4) **the** consent of the minor if the minor is over 14 years of age; (5) **the verified** consent of the other parent, if any; ~~and~~ (6) **the** name and address of the other parent of the minor, if known ~~and~~ (7) **whether the minor has been convicted of a felony.**

Section 6 of this bill requires the petitioning parent to personally serve notice upon the other parent unless the other parent consents to the change of name. If the petitioning parent can establish to the court that notice cannot be personally served on the other parent, the court may order the petitioning parent to: (1) publish the notice in a newspaper of general circulation for 3 successive weeks; and (2) serve notice and a copy of the petition by mail to the other parent's last known address.

Section 7 of this bill requires the court to make an order changing the name of the minor as requested in the petition upon being satisfied by the statements in the petition or other evidence that good reason exists, if: (1) **verified consent** of the other parent ~~consent is stated in the petition;~~ or (2) no written objection is filed within 10 days after the other parent is personally served or the last publication of notice as ordered by the court, upon proof of filing and evidence of service. **Section 7** also requires the court to hold a hearing if an objection is filed. The order must be recorded as a judgment of the court and the clerk is required to transmit a certified copy of the order to the State Registrar of Vital Statistics.

Section 7.5 of this bill authorizes a petition to change the name of an unemancipated minor to be filed in an action concerning divorce, child custody, the establishment of parentage, the termination of parental rights or the emancipation of a minor. If such a petition is filed, the notice and service requirements of the applicable action apply.
