6 administrators are entitled to be paid as other administrators or executors, subject to certain
7 restrictions on the annual salary of certain public administrators. (NRS 245.043, 253.050) This
8 bill requires the board of county commissioners, in certain counties where the salary of a
9 public administrator is not set by law, to set and pay the annual compensation of a public
10 administrator for certain costs and expenses. This bill also authorizes such public
11 administrators to retain all fees provided by law for public administrators.
