AN ACT relating to criminal procedure; revising provisions relating to certain information included in reports of presentence investigations; authorizing the court to order the Division of Parole and Probation of the Department of Public Safety to correct the contents of a report of any presentence investigation or general investigation in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Division of Parole and Probation of the Department of Public Safety to include in the report of any presentence investigation any information that it believes may be helpful in imposing a sentence, in granting probation or in correctional treatment. (NRS 176.145) Existing law also generally requires the Division to disclose to the prosecuting attorney, the counsel for the defendant, the defendant and the court the factual content of the report of any presentence investigation and the recommendations of the Division not later than 14 calendar days before the defendant will be sentenced. (NRS 176.153)

Section 1 of this bill provides that if the Division includes in the report of any presentence investigation any information relating to the defendant being affiliated with or a member in a criminal gang and the Division reasonably believes such information is disputed by the defendant, the Division is required to provide with the information disclosed, before the defendant will be sentenced, copies of all documentation relied upon by the Division as a basis for including such information in the report. ***[Section 1 also provides that if such information is disputed by the defendant, the Division or the prosecuting attorney is required to prove by clear and convincing evidence that the information is accurate.]***

Existing law requires the Division to afford an opportunity to the prosecuting attorney, the counsel for the defendant and the defendant to object to factual errors in a report of any presentence investigation or general investigation. (NRS 176.156) Section 2 of this bill authorizes the court to order the Division to correct the contents of any such report following sentencing of the defendant if the prosecuting attorney and the defendant stipulate to

21 correcting the contents of any such report within 180 days after the date on which the
22 judgment of conviction was entered.
