AN ACT relating to electronic documents; establishing provisions relating to electronic wills and trusts; revising provisions governing electronic notaries public; authorizing electronic notaries public to perform authorized electronic notarial acts remotely using audio-video communication; establishing provisions concerning electronic documents relating to real property located in this State; authorizing the Secretary of State to require notaries public registering as electronic notaries public to complete an online course on electronic notarization; increasing the amount of the fees authorized to be charged by an electronic notary public for the performance of certain electronic notarial acts and authorizing the collection of a fee to recover certain costs; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes provisions relating to electronic wills. (NRS 132.119, 133.085, 136.185) **Sections 10-17** of this bill establish various other provisions relating to electronic wills. **Sections 8 and 19** of this bill revise the description of an electronic will and **section 10** establishes the circumstances in which an electronic will is self-proving. **Sections 11 and 12** establish the qualifications and duties of a qualified custodian of an electronic will, who is required to store electronic records of electronic wills in a system that protects electronic records from destruction, alteration or unauthorized access and detects any change to an electronic record. **Sections 13 and 14** set forth the circumstances in which a qualified custodian is authorized to cease serving in such a capacity. **Section 15** establishes provisions concerning affidavits relating to the creation of a certified paper original of an electronic will, which **section 3** of this bill generally defines as a tangible document containing the text of an electronic will. **Section 16** sets forth provisions relating to the ability of an electronic notary public or other notarial officer to perform certain notarial acts. **Section 17** establishes various provisions for purposes relating to the execution and filing of any document with a court in any proceeding relating to an electronic will and for certain other purposes.

Section 18 of this bill establishes requirements relating to a declaration or affidavit of a witness to an electronic will. **Section 20** of this bill provides the methods by which an electronic will may be revoked. **Section 21** of this bill sets forth provisions relating to the

jurisdiction in which an electronic will may be proved and the admittance of a certified paper original of an electronic will to probate.

Sections 23-28 of this bill revise provisions relating to trusts. **Section 24** provides that a video recording or other electronic record may be admissible in court as evidence of certain issues relating to a trust, and **section 28** revises the description of an electronic trust.

Existing law establishes the Electronic Notary Public Authorization Act pursuant to which an electronic notary public appointed by the Secretary of State is authorized to perform electronic notarial acts. (NRS 240.181-240.206) **Section 39** of this bill renames the act as the ~~(Remote)~~ **Electronic** Notarization Enabling Act and **section 45** of this bill requires electronic notaries public to register with, instead of be appointed by, the Secretary of State. **Section 35** of this bill: (1) authorizes an electronic notary public to perform authorized electronic notarial acts remotely using audio-video communication, which **section 30** of this bill **generally** defines as communication by which a person is able to see, hear and communicate with another person in real time using electronic means; and (2) sets forth certain requirements relating to such electronic notarial acts. **Section 36** of this bill ~~(generally provides that an authorized)~~ **authorizes an electronic notary public to perform an** electronic notarial act ~~(performed) using audio-video communication (shall be deemed to have been performed in this State and must be governed by the laws of)~~ **for a person located: (1) in this State +, regardless of whether the person for whom the act is performed is physically located in another jurisdiction. ; (2) outside this State but within the United States; or (3) in certain circumstances, outside the United States.**

Section 37 of this bill requires an electronic notary public to arrange for a recording to be made of each electronic notarial act performed using audio-video communication and to give all participating persons advance notice of the recording. **Section 37** also requires the recording to be kept for not less than ~~4+ 7~~ years. **Section 51** of this bill requires an electronic notary public to keep an electronic journal of each notarial act which he or she performs and to maintain and protect the electronic journal at all times. **Section 51 also provides that, except as otherwise provided by law, an electronic notary public is required to keep all required notarial records for a period of 7 years after the termination of the registration of the electronic notary public.**

Section 38 of this bill establishes provisions relating to the confirmation of the identity of a person for whom an electronic notarial act is performed using audio-video communication. **Section 50** of this bill requires an electronic notary public to render an electronic document that is the subject of an electronic notarial act tamper-evident.

Section 38.3 of this bill establishes provisions concerning electronic documents relating to real property located in this State.

Section 46.5 of this bill authorizes the Secretary of State to require a notary public who registers with the Secretary of State as an electronic notary public to complete an online course of study on electronic notarization. Section 38.7 of this bill establishes provisions relating to the completion of such a course of study.

Section 48 of this bill increases the amount of fees which an electronic notary public may charge for performing certain electronic notarial acts and authorizes an electronic notary public to charge a reasonable fee to recover any cost of providing a copy of an entry or a recording of an audio-video communication in the electronic journal maintained by the electronic notary public. **Section 48** also prohibits an electronic notary public who is an officer or employee of the State or a local government from charging a fee for an electronic notarial act that the electronic notary public performs within the scope of such employment.

Sections 56-60 of this bill delete certain provisions of Assembly Bill No. 476 of this session that are replaced with the provisions of sections 45, 46, 46.5, 51 and 52 of this bill, and section 61 of this bill provides that the provisions of this bill are intended to supersede any provisions of Assembly Bill No. 476 that conflict with the provisions of this bill.

(b) A photocopy, photograph, facsimile or other visual record of any documentation that was taken contemporaneously with the execution of the electronic will and provides satisfactory evidence of the identities of the testator and the attesting witnesses, including, without limitation, documentation of the methods of identification used pursuant to subsection 4 of NRS 240.1655; and

(c) An audio and video recording of the testator, attesting witnesses and notary public, as applicable, taken at the time the testator, each attesting witness and notary public, as applicable, placed his or her electronic signature on the electronic will, as required pursuant to paragraph (b) of subsection 1 of NRS 133.085.

4. Shall provide to any court that is hearing a matter involving an electronic will which is currently or was previously stored by the qualified custodian any information requested by the court pertaining to the qualifications of the qualified custodian and the policies and practices of the qualified custodian concerning the maintenance, storage and production of electronic wills.

Sec. 12. 1. With regard to an electronic record of an electronic will, a qualified custodian:

(a) Shall provide access to or information concerning the electronic will or the certified paper original of the electronic will only to:

(1) The testator or another person as directed by the written instructions of the testator; and

(2) After the death of the testator, the nominated personal representative of the testator or any interested person; and

(b) May, in the absolute discretion of the qualified custodian, destroy the electronic record at any time:

(1) Five or more years after the admission of any will of the testator to probate;

(2) Five or more years after the revocation of the electronic will;

(3) Five or more years after ceasing to serve as the qualified custodian of the electronic record of the electronic will pursuant to section 13 of this act;

(4) Ten or more years after the death of the testator; or

(5) One hundred and fifty years after the execution of the electronic will.

2. At the direction of a testator in a writing executed with the same formalities required for the execution of an electronic will, a qualified custodian shall cancel, render unreadable or obliterate the electronic record.

Sec. 13. 1. A qualified custodian may cease serving in such a capacity by:

(a) If not designating a successor qualified custodian, providing to the testator:

(1) Thirty days' written notice that the qualified custodian has decided to cease serving in such a capacity; and

(2) The certified paper original of, and all records concerning, the electronic will.

(b) If designating a successor qualified custodian:

(1) Providing 30 days' written notice that the qualified custodian has decided to cease serving in such a capacity to:

(I) The testator; and

(II) The designated successor qualified custodian; and

(2) Providing to the successor qualified custodian the electronic record of the electronic will and an affidavit which states:

(I) That the qualified custodian ceasing to act in such a capacity is eligible to act as a qualified custodian in this State and is the qualified custodian designated by the testator in the electronic will or was designated to act in such a capacity by another qualified custodian pursuant to this paragraph;

1 (II) That an electronic record was created at the time the testator
2 executed the electronic will;

3 (III) That the electronic record has been in the custody of one or
4 more qualified custodians since the execution of the electronic will and has not
5 been altered since the time it was created; and

6 (IV) The identity of all qualified custodians who have had custody of
7 the electronic record since the execution of the electronic will.

8 2. For purposes of making the affidavit pursuant to subparagraph (2) of
9 paragraph (b) of subsection 1, a qualified custodian is entitled to rely
10 conclusively on any affidavits provided by a predecessor qualified custodian if all
11 such affidavits are provided to the successor qualified custodian.

12 3. Subject to the provisions of section 14 of this act, if the testator
13 designates a successor qualified custodian in a writing executed with the same
14 formalities required for the execution of an electronic will, a qualified custodian
15 shall cease serving in such a capacity and provide to the designated successor
16 qualified custodian:

17 (a) The electronic record; and

18 (b) The affidavit described in subparagraph (2) of paragraph (b) of
19 subsection 1.

20 4. If a qualified custodian is an entity, an affidavit of a duly authorized
21 officer or agent of such entity constitutes the affidavit of the qualified custodian.

22 Sec. 14. 1. A person must execute a written statement affirmatively
23 agreeing to serve as the qualified custodian of an electronic will before he or she
24 may serve in such a capacity.

25 2. Except as otherwise provided in paragraph (a) of subsection 1 of section
26 13 of this act, a qualified custodian may not cease serving in such a capacity until
27 a successor qualified custodian executes the written statement required by
28 subsection 1.

29 Sec. 15. 1. Upon the creation of a certified paper original of an electronic
30 will:

31 (a) If the electronic will has always been in the custody of a qualified
32 custodian, the ~~designated~~ qualified custodian shall state in an affidavit:

33 (1) That the qualified custodian is eligible to act as a qualified custodian
34 in this State;

35 (2) That the qualified custodian is the qualified custodian designated by
36 the testator in the electronic will or was designated to act in such a capacity
37 pursuant to paragraph (b) of subsection 1 of section 13 of this act;

38 (3) That an electronic record was created at the time the testator executed
39 the electronic will;

40 (4) That the electronic record has been in the custody of one or more
41 qualified custodians since the execution of the electronic will, and has not been
42 altered since the time it was created;

43 (5) The identity of all qualified custodians who have had custody of the
44 electronic record since the execution of the electronic will;

45 (6) That the certified paper original is a true, correct and complete
46 tangible manifestation of the electronic will; and

47 (7) That the records described in subsection 3 of section 11 of this act are
48 in the custody of the qualified custodian.

49 (b) If the electronic will has not always been under the custody of a qualified
50 custodian, the person who discovered the electronic will and the person who
51 reduced the electronic will to the certified paper original shall each state in an
52 affidavit the following information, to the best of their knowledge:

(1) When the electronic will was created, if not indicated in the electronic will;

(2) When, how and by whom the electronic will was discovered;

(3) The identities of each person who has had access to the electronic will;

(4) The method in which the electronic will was stored and the safeguards in place to prevent alterations to the electronic will;

(5) Whether the electronic will has been altered since its execution; and

(6) That the certified paper original is a true, correct and complete tangible manifestation of the electronic will.

2. For purposes of making an affidavit pursuant to paragraph (a) of subsection 1, the qualified custodian may rely conclusively on any affidavits delivered by a predecessor qualified custodian.

Sec. 16. 1. Notwithstanding any other provision of law, an electronic notary public or other notarial officer may, for purposes of this title, including, without limitation, all purposes relating to the execution and filing of any document with the court in any proceeding relating to an electronic will:

(a) Notarize the signature or electronic signature of a person, as applicable, who is not in the physical presence of the electronic notary public or other notarial officer if the person is in his or her presence within the meaning of section 17 of this act; and

(b) Notarize any document relating to a will, codicil or testamentary trust.

2. This section must be liberally construed and applied to promote the purposes of NRS 133.085 and sections 10 to 17, inclusive, of this act.

Sec. 17. 1. For purposes of this title, including, without limitation, any declaration or affidavit made by an attesting witness as described in NRS 133.050, for all purposes relating to the execution and filing of any document with the court in any proceeding relating to an electronic will and for purposes of executing a power of attorney pursuant to NRS 162A.220, an advance directive or any document relating to an advance directive:

(a) A person shall be deemed to be in the presence of or appearing before another person if such persons are in:

(1) The same physical location; or

(2) Different physical locations but can communicate with each other by means of audio-video communication.

(b) An electronic notary public may electronically notarize electronic documents, including, without limitation, documents constituting or relating to an electronic will, in accordance with NRS 240.181 to 240.206, inclusive, and sections 30 to ~~38.7~~ 38.7, inclusive, of this act.

(c) Any requirement that a document be signed may be satisfied by an electronic signature.

(d) If a provision of law requires a written record, an electronic record satisfies such a provision.

~~HH~~ Except as otherwise provided in subparagraph (3), regardless of the physical location of the person executing a document or of any witness, if a document is executed electronically, the document shall be deemed to be executed in this State and will be governed by the laws of this State and subject to the jurisdiction of the courts of this State if:

(1) The person executing the document states that he or she understands that he or she is executing, and that he or she intends to execute, the document in and pursuant to the laws of this State;

(2) The document states that the validity and effect of its execution are governed by the laws of this State;

(3) Any attesting witnesses or an electronic notary public whose electronic signatures are contained in the document were physically located within this State at the time the document was executed in accordance with this section; or

(4) In the case of a self-proving electronic will, the electronic will designates a qualified custodian who, at the time of execution:

(I) If a natural person, is domiciled in this State; or

(II) If an entity, is organized under the laws of this State or whose principal place of business is located in this State.

2. Notwithstanding the provisions of subsection 1, the validity of a notarial act performed by an electronic notary public must be determined by applying the laws of the jurisdiction in which the electronic notary public is commissioned or appointed.

3. As used in this section:

(a) "Advance directive" has the meaning ascribed to it in NRS 449.905.

(b) "Audio-video communication" ~~has the meaning ascribed to it in section 30 of this act,~~ means communication by which a person is able to see, hear and communicate with another person in real time using electronic means and that meets any rules or regulations adopted by the Secretary of State.

Sec. 18. NRS 133.050 is hereby amended to read as follows:

133.050 1. Any attesting witness to a will, **including, without limitation, an electronic will**, may sign a declaration under penalty of perjury or an affidavit before any person authorized to administer oaths in or out of the State, stating such facts as the witness would be required to testify to in court to prove the will. The declaration or affidavit must be written on the will or, if that is impracticable, on some paper attached thereto. **If the will is an electronic will, the declaration or affidavit must be in a record incorporated as part of, attached to or logically associated with the electronic will.** The sworn statement of any witness so taken must be accepted by the court as if it had been taken before the court.

2. The affidavit described in subsection 1 may be in substantially the following form:

240.202 1. The electronic signature and electronic seal of an electronic notary public must be used only for the purposes of performing electronic notarial acts.

2. An electronic notary public shall safeguard his or her electronic signature, the electronic seal and all notarial records maintained by the electronic notary public as follows:

(a) When not in use, the electronic notary public shall keep the electronic signature, electronic seal and all notarial records secure, under the exclusive control of the electronic notary public and protected by a password where applicable.

(b) An electronic notary public shall not permit his or her electronic signature or electronic seal to be used by any other person.

(c) An electronic notary public shall not surrender or destroy his or her notarial records except as otherwise required by the order of a court or as allowed pursuant to NRS 240.001 to 240.206, inclusive, and sections 30 to 38.7, inclusive, of this act or any regulations adopted pursuant thereto.

(d) Except as otherwise provided in subsection 3, an electronic notary public, within 10 days after discovering that his or her electronic signature or electronic seal has been stolen, lost, damaged or otherwise rendered incapable of affixing a legible image, shall:

(1) Inform the appropriate law enforcement agency in the case of theft or vandalism; and

(2) Notify the Secretary of State and the entity from which the electronic notary public obtained the electronic signature or electronic seal in writing, including, without limitation, a signature using the name ~~for the certificate of appointment issued~~ under which the electronic notary public is registered pursuant to ~~subsection 5 of~~ NRS 240.192.

3. An electronic notary public shall take reasonable steps to maintain the technology or device used to create his or her electronic signature, and to ensure that the technology or device has not been recalled, revoked, terminated or otherwise rendered ineffective or insecure by the entity that created the technology or device. Upon learning that the technology or device used to create his or her electronic signature has been rendered ineffective or insecure, an electronic notary public shall cease performing electronic notarial acts until:

(a) A new technology or device is acquired; and

(b) The electronic notary public sends an electronic notice to the Secretary of State that includes ~~without limitation,~~ the ~~information~~ electronic signature of the electronic notary public required pursuant to ~~paragraphs (d), (b) and (e) of paragraph (c)~~ of subsection 2 of NRS 240.192 relating to the new technology or device.

Sec. 53. NRS 240.203 is hereby amended to read as follows:

240.203 1. Except as otherwise provided in subsection 3, if an electronic notary public dies ~~for resigns~~ during his or her ~~appointment~~ period of registration, or if the ~~appointment~~ registration of the electronic notary public is surrendered or revoked or expires, the electronic notary public, the executor of his or her estate or an authorized representative of the electronic notary public, as appropriate, shall:

(a) Notify the Secretary of State of the resignation or death; and

(b) Erase, delete, destroy or otherwise render ineffective the technology or device used to create his or her electronic signature.

2. Upon receipt of the notice required by subsection 1, the Secretary of State shall cancel the ~~appointment~~ registration of the electronic notary public, effective on the date on which the notice was received.

3. A former electronic notary public whose previous ~~appointment~~ registration as an electronic notary public was not revoked and whose previous ~~application for appointment~~ registration as an electronic notary public was not denied is not required to erase, delete, destroy or otherwise render ineffective the technology or device used to create his or her electronic signature if the former electronic notary public renews his or her ~~appointment~~ registration, using the

same electronic signature, within 3 months after the expiration of his or her previous ~~appointment~~ *registration* as an electronic notary public.

Sec. 54. NRS 240.204 is hereby amended to read as follows:

240.204 1. A person who knowingly creates, manufactures or distributes software or hardware for the purpose of allowing a person to act as an electronic notary public without being ~~appointed~~ *registered* in accordance with NRS 240.181 to 240.206, inclusive, ~~and sections 30 to 38, inclusive, of this act~~ *and sections 30 to 38.7, inclusive, of this act* is guilty of a gross misdemeanor.

TEXT OF REPEALED ~~SECTIONS~~ SECTION

240.193 Requirements for bond; notification of exhaustion of penal sum; release of surety; suspension of appointment; reinstatement of appointment.

1. The bond required to be filed pursuant to NRS 240.192 must be executed by the person applying to become an electronic notary public as principal and by a surety company qualified and authorized to do business in this State. The bond must be made payable to the State of Nevada and be conditioned to provide indemnification to a person determined to have suffered damage as a result of an act by the electronic notary public which violates a provision of NRS 240.001 to 240.206, inclusive. The surety company shall pay a final, nonappealable judgment of a court of this State that has jurisdiction, upon receipt of written notice of final judgment. The bond may be continuous, but regardless of the duration of the bond, the aggregate liability of the surety does not exceed the penal sum of the bond.

2. If the penal sum of the bond is exhausted, the surety company shall notify the Secretary of State in writing within 30 days after its exhaustion.

3. The surety bond must cover the period of the appointment of the electronic notary public, except when a surety is released.

4. A surety on a bond filed pursuant to NRS 240.192 may be released after the surety gives 30 days' written notice to the Secretary of State and the electronic notary public, but the release does not discharge or otherwise affect a claim filed by a person for damage resulting from an act of the electronic notary public which is alleged to have occurred while the bond was in effect.

5. The appointment of an electronic notary public is suspended by operation of law when the electronic notary public is no longer covered by a surety bond as required by this section and NRS 240.192 or the penal sum of the bond is exhausted. If the Secretary of State receives notice pursuant to subsection 4 that the bond will be released or pursuant to subsection 2 that the penal sum of the bond is exhausted, the Secretary of State shall immediately notify the electronic notary public in writing that his or her appointment will be suspended by operation of law until another surety bond is filed in the same manner and amount as the bond being terminated.

6. The Secretary of State may reinstate the appointment of an electronic notary public whose appointment has been suspended pursuant to subsection 5 if the electronic notary public, before his or her current term of appointment expires:

(a) Submits to the Secretary of State:

(1) An application for an amended certificate of appointment as an electronic notary public; and

(2) A certificate issued by the clerk of the county in which the applicant resides or, if the applicant is a resident of an adjoining state, the county in this State in which the applicant maintains a place of business or is employed, which indicates that the applicant filed a new surety bond with the clerk; and

(b) Pays to the Secretary of State a fee of \$10.

~~240.195 Courses of study required; persons required to successfully complete course of study; fees.~~

~~1. Except as otherwise provided in subsection 2, an applicant for appointment as an electronic notary public must successfully:~~

~~(a) Complete a course of study that is in accordance with the requirements of subsection 5; and~~

- ~~(b) Pass an examination at the completion of the course.~~
- ~~2. The following persons are required to enroll in and successfully complete a course of study as required pursuant to subsection 1:~~
 - ~~(a) A person applying for his or her first appointment as an electronic notary public;~~
 - ~~(b) A person renewing his or her appointment as an electronic notary public; and~~
 - ~~(c) A person who has committed a violation of this chapter or whose appointment or an electronic notary public has been suspended, and who has been required by the Secretary of State to enroll in a course of study provided pursuant to this section.~~
- ~~3. A course of study required to be completed pursuant to subsection 1 must:~~
 - ~~(a) Include at least 2 hours of instruction;~~
 - ~~(b) Provide instruction in electronic notarization, including, without limitation, notarial law and ethics, technology and procedures;~~
 - ~~(c) Include an examination of the course content;~~
 - ~~(d) Comply with the regulations adopted pursuant to NRS 240.206; and~~
 - ~~(e) Be approved by the Secretary of State.~~
- ~~4. The Secretary of State may, with respect to a course of study required to be completed pursuant to subsection 1:~~
 - ~~(a) Provide such a course of study; and~~
 - ~~(b) Charge a reasonable fee to each person who enrolls in such a course of study.~~
- ~~5. A course of study provided pursuant to this section:~~
 - ~~(a) Must satisfy the criteria set forth in subsection 3 and comply with the requirements set forth in the regulations adopted pursuant to NRS 240.206.~~
 - ~~(b) May be provided in person or online by the Secretary of State or a vendor approved by the Secretary of State.~~
- ~~6. The Secretary of State shall deposit the fees collected pursuant to paragraph (b) of subsection 4 in the Notary Public Training Account created pursuant to NRS 240.018.~~
