AN ACT relating to public assistance; revising provisions relating to eligibility of certain convicted persons for public assistance; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law provides that a person who has been convicted of certain felony drug offenses is not eligible for Temporary Assistance for Needy Families (TANF) or Supplemental Nutrition Assistance Program (SNAP) benefits in certain cases. (21 U.S.C. § 862a) Existing federal law authorizes a state to opt out of this limitation and allow a person who was convicted of a felony drug offense to be eligible for TANF and SNAP benefits in that state. (21 U.S.C. § 862a(d)) Similarly, existing Nevada law provides that a person who has been convicted of felony possession, use or distribution of a controlled substance is not eligible for TANF or SNAP benefits, unless the convicted person has completed a drug treatment program and the person either: (1) demonstrates that he or she has not possessed, used or distributed controlled substances since he or she began the drug treatment program; or (2) is pregnant and a doctor certifies that TANF or SNAP benefits are required to ensure the health and safety of the mother and the unborn child. (NRS 422A.345)

This bill: (1) removes the requirement that such a convicted person complete a drug treatment program before becoming eligible for TANF or SNAP benefits; and (2) provides that to be eligible for TANF or SNAP benefits such a convicted person must demonstrate that he or she is not currently possessing, using or distributing controlled substances ~~that~~ **in a manner that is prohibited by law.**
