AN ACT relating to elections; changing the deadline by which a person may register to vote by mail or computer for a primary election, primary city election, general city election or general election; providing that the county and city clerks are not required to distribute sample ballots for an election to certain persons; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law requires that each state ensure that an eligible voter who submits an application to register to vote by mail be registered to vote in an election for federal office if the voter registration form is postmarked not later than 30 days before the date of the election. (52 U.S.C. § 20507) Under existing Nevada law, an application to register to vote by mail must be postmarked or received by the county clerk not later than the fifth Saturday before a primary election, primary city election, general election or general city election. (NRS 293.5235, 293.560, 293C.527) This bill changes the deadline to register to vote by mail for these elections.

Sections 5 and 6 of this bill provide the last day to register to vote by mail is the ~~(fifth Monday)~~ fourth Tuesday preceding the primary election, primary city election, general election or general city election. ~~As applicable, unless the United States Postal Service does not provide delivery service on such day. In that case, the last day to register to vote by mail is the first day following the fifth Monday preceding the primary election, primary city election, general election or general city election on which the United States Postal Service provides delivery service. This means that an application to register to vote by mail must be postmarked or received by the county clerk not later than: (1) the fifth Monday preceding the election; or (2) if the United States Postal Service does not provide delivery service on such day, the first day following the fifth Monday preceding the election on which the United States Postal Service has delivery service.~~ **Sections 1-4** 1.5-4 of this bill make conforming changes.

Existing law provides that the last day to register to vote by computer is the third Tuesday preceding any primary or general election. (NRS 293.560, 293C.527) Sections 5

and 6 of this bill provide, with limited exception, that the last day to register to vote by computer is the Thursday before the period for early voting begins.

Existing law requires county and city clerks to distribute sample ballots before the period for early voting begins. (NRS 293.565, 293C.530) Sections 5.5 and 6.5 of this bill provide a limited exception to this requirement so that the clerks are not required to distribute sample ballots for an election to persons who register to vote less than 20 days before the election. Section 1 of this bill makes a conforming change.
