Legislative Counsel's Digest:

1 Existing law creates the Revolving Account for Land Management as a special account in
2 the State General Fund. The State Land Registrar is required to use money in the Account to
3 pay the expenses relating to the management of land held by the Division of State Lands of
4 the State Department of Conservation and Natural Resources, including expenses for
5 appraisals and surveys, construction of fences and barriers for vehicles and the cleanup and
6 maintenance of the land. (NRS 321.067) **Section 1** of this bill expands the use of money in the
7 Account to expenditures for: (1) ***activities to acquire land or an interest*** ***the acquisition of or***
8 ***interests*** in land; (2) ***required*** environmental assessments of the land, including surveys of
9 the biological, environmental and cultural conditions and resources of the land; and (3)
10 mitigation of the land.

11 Under existing law, the State Land Registrar is authorized to request an allocation from
12 the Contingency Account in the State General Fund if the balance in the Revolving Account is
13 below \$5,000. (NRS 321.067) **Section 1** raises that threshold amount to \$20,000.
