ASSEMBLY JOINT RESOLUTION—Proposing to amend the Nevada Constitution to require the recognition of all marriages regardless of gender.

**Legislative Counsel's Digest:**

Section 21 of Article 1 of the Nevada Constitution provides that only a marriage between a male and a female person may be recognized and given effect in this State. The United States Supreme Court, however, held in 2015 that the right to marry is guaranteed by the Fourteenth Amendment to the United States Constitution and that same-sex couples may not be deprived of that right. *See Obergefell v. Hodges*, 135 S. Ct. 2584 (2015). Under the Supremacy Clause of the United States Constitution, federal constitutional law supersedes state constitutional law in most cases. (U.S. Const. Art. VI, cl. 2) As a result, Section 21 of Article 1 of the Nevada Constitution is not enforceable.

This resolution amends Section 21 of Article 1 of the Nevada Constitution to require the State of Nevada and its political subdivisions to recognize all marriages regardless of gender. **In addition, this resolution establishes the rights of religious organizations and members of the clergy to refuse to perform marriages on the basis of gender or other factors, and specifically provides that a person does not have a right to make a claim against a religious organization or member of the clergy for refusing to perform a marriage.** This resolution further provides that all legally valid marriages must be treated equally under the law.
