Legislative Counsel's Digest:

The Board of Trustees of the College Savings Plans of Nevada was created under existing law to oversee the Nevada Higher Education Prepaid Tuition Program and the Nevada College Savings Program. (NRS 353B.001-353B.370) Under existing law, the Board is required to develop and maintain the Nevada Higher Education Prepaid Tuition Program for the prepayment of the tuition of the beneficiary of a prepaid tuition contract at an eligible in-state or out-of-state public or private university, college or community college. The tuition paid under the contract is at a guaranteed rate based on an annual actuarial study for undergraduate studies at a university, state college or community college that is a member of the Nevada System of Higher Education. (NRS 353B.090) Existing law also: (1) creates the Nevada Higher Education Prepaid Tuition Trust Fund for deposit of payments under prepaid tuition contracts and other sources of money for the Program and requires the State Treasurer to administer the Trust Fund; and (2) sets forth certain powers and duties of the Board relating to promotion, investment and contracting services for the Program and the Trust Fund. (NRS 353B.010-353B.190)

Section 1 of this bill authorizes the Board to delegate to the State Treasurer those powers and duties necessary for the efficient and effective administration of the Nevada Higher Education Prepaid Tuition Program and the Trust Fund. Under existing law, the Board is authorized to make such a delegation to the State Treasurer with respect to the Nevada College Savings Program and the Nevada College Savings Program Trust Fund. (NRS 353B.320) **Sections 3 and 4** of this bill expand the authorized use of benefits under a prepaid tuition contract to allow a qualified beneficiary to apply any unused prepaid tuition benefits after his or her graduation with an undergraduate degree toward his or her graduate-level studies. **Section 3** also specifically requires the Board to adopt requirements for a master agreement for the Program by regulation. **Section 7** of this bill requires the Board to amend

the master agreement for the Program to make the expanded authorization for graduate-level studies applicable to existing prepaid tuition contracts. (NAC 353B.140)

Existing law requires the Board of Trustees of the College Savings Plans of Nevada to develop policies for investment to be followed by the State Treasurer in investing in the property of the Nevada Higher Education Prepaid Tuition Trust Fund. (NRS 353B.160) Section 5.5 of this bill expands the list of authorized investments for the Fund to include: (1) certain bonds, notes and other obligations that are issued or unconditionally guaranteed by the International Bank for Reconstruction and Development, International Finance Corporation or Inter-American Development Bank, which are supranational entities; and (2) certain bonds, notes and other obligations, commonly called "Yankee bonds," that are issued by a foreign financial institution, corporation or government.

Existing law requires the State Treasurer to adopt regulations to establish and carry out the Nevada College Savings Program, which offers tax-free investment plans for saving money for the costs of higher education. (NRS 353B.310) **Section 6** of this bill transfers the duty to adopt regulations for the Nevada College Savings Program from the State Treasurer to the Board. The Board has the authority under existing law to adopt regulations to implement the Nevada Higher Education Prepaid Tuition Program. (NRS 353B.090)
