AN ACT relating to the Supplemental Nutrition Assistance Program; prescribing the manner in which the Department of Health and Human Services must calculate the 36-month time period for determining a person's eligibility for benefits under the Program; requiring the Department to seek a waiver from certain federal requirements concerning eligibility for benefits under the Program ~~and~~ **under certain circumstances**; authorizing the Division of Welfare and Supportive Services of the Department to **grant exemptions from those requirements and to** prioritize certain persons for ~~the continued receipt of benefits under the Program if the Department obtains such a waiver;~~ **such an exemption**; requiring the Department to create a voluntary workfare program; authorizing the Division to contract with appropriate persons and entities for certain purposes relating to the Supplemental Nutrition Assistance Program; **temporarily** requiring the Department to consult with certain persons concerning actions of the Federal Government and the Department relating to the Program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Federal law establishes the Supplemental Nutrition Assistance Program. (7 U.S.C. §§
2 2011 et seq.) The Program in this State is administered by the Department of Health and
3 Human Services. (NRS 422A.338) Under federal law, certain Program beneficiaries who have
4 received benefits for at least 3 months during the preceding 36-month period are required to:
5 (1) work for at least 20 hours per week; or (2) participate for at least 20 hours per week in a
6 work program approved by the state agency which administers the Program. (7 U.S.C. §
7 2015(o)(2)(A) and (B), 2015(o)(3)) Alternatively, federal law allows a beneficiary to meet the
8 work requirement by serving in a federally approved workfare or volunteer work program
9 operated by the State. (7 U.S.C. § 2015(o)(2)(C)) **Section 2** of this bill requires the
10 Department to calculate the 36-month period such that the period begins and ends on fixed,
11 definite dates that are the same for each beneficiary in this State and runs continuously.

12 Federal law authorizes the state agency which administers the Program to request that the
 13 Secretary of Health and Human Services waive the work requirement for certain groups of
 14 beneficiaries. Such a waiver may be granted if the Secretary determines that: (1) the
 15 beneficiaries the waiver seeks to exempt reside in a geographic area where the unemployment
 16 rate exceeds 10 percent; or (2) the geographic area in which the waiver will apply does not
 17 have a sufficient number of jobs to provide adequate employment for the affected group of
 18 beneficiaries. (7 U.S.C. § 2015(o)(4)(A)) This State currently operates under such a waiver
 19 granted by the Secretary that expires on July 1, 2017. **Section 2 requires the Department to**
 20 **seek such a waiver whenever this State or a portion thereof is eligible for such a waiver.**

21 ~~Additionally, under federal law, the state agency which administers the Program may~~
 22 ~~grant exemptions from the work requirement for up to 15 percent of the Program beneficiaries~~
 23 ~~even if the State has not sought a waiver from the Secretary. (7 U.S.C. § 2015(o)(6)(D))~~
 24 **Section 2 of this bill requires the Department of Health and Human Services to seek a waiver**
 25 **to replace the existing waiver, which expires on July 1, 2017. If the Department obtains such a**
 26 **waiver, section 2** ~~authorizes the Division of Welfare and Supportive Services of the~~
 27 ~~Department to :~~ **(1) grant such an exemption to the extent authorized by federal law; and**
 28 **(2) prioritize certain persons for the continued receipt of such an exemption, which would**
 29 **allow those persons to continue to receive** benefits under the Program. Additionally, **section**
 30 **2** requires the Department to establish a voluntary workfare program to assist Program
 31 beneficiaries in meeting the work requirement. Finally, **section 2** authorizes the Division to
 32 contract with appropriate persons and entities to assist in determining whether a person is
 33 exempt from the work requirement. **Section 3** of this bill requires the Department to consult as
 34 necessary until October 1, 2019, with persons and entities who provide services to persons
 35 who are subject to the work requirement concerning actions by the Federal Government
 36 relating to that requirement and the Department's efforts to implement the provisions of
 37 **section 2.**
