AN ACT relating to public welfare; requiring the Director of the Department of Health and Human Services to authorize certain children to enroll in Medicaid and the Children's Health Insurance Program; authorizing the Director to reduce or eliminate benefits provided to such children under those programs in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing federal law provides generally that an alien is not eligible for any Federal means-
2 tested public benefit for a period of 5 years beginning on the date of the alien's entry into the
3 United States. (8 U.S.C. § 1613) Federal law contains an exemption that authorizes a state to
4 elect to allow children under 21 years of age who are lawfully residing in the United States
5 and have resided in the United States for less than 5 years to enroll in Medicaid and the
6 Children's Health Insurance Program. (42 U.S.C. § 1396b(v)(4)(A)(ii)) This bill requires the
7 Director of the Department of Health and Human Services to include in the State Plan for
8 Medicaid and the Children's Health Insurance Program authorization for such children who
9 are under 19 years of age to enroll in Medicaid and the Children's Health Insurance
10 Program. This bill also authorizes the Director to reduce or eliminate benefits available
11 for those children under those programs in response to certain changes in federal law.
